*Membership entitles **provision of Baranduda Landcare Farm/House Gate Sign free native plants for home/farm gardens, inclusion in email minutes and news circulations, provides public liability cover for participation in all Land Care work, ability to apply for financial subsidies, access grants (native plants etc) and hire group equipment***

Membership fees for the **2007/08** & beyond are now due (1st July 2007).

The Executive Committee has set this years' subscription at **\$15 per member / family per year.**

Pls take out a \$45/3 year membership (encouraged where possible)

The major administrative costs we incur each year are affiliation fees, insurance and postage. In an attempt to reduce our costs in communicating with members, we now offer the option of distributing the newsletter electronically to members prepared to provide us with an email address. This saves an enormous amount of photocopying, postage and voluntary time.

We can assure anyone who provides an email address that we will not be supplying our data base to any third party for any reason what so ever including commercial gain.

Please note it is our intention to remove non-financial members from the current mailing list.
